

IISA country Logo Explained

Each Country has two Logos: Big and Small.

IISA Spain – Big Logo

IISA Spain – small Logo

The Big logo is the one to use. The small one is used for letter heads business cards or anywhere where the space for the logo is very limited.

A country can add to their country Logo as follows:

Or use

A country can use their Logo for Events or add to their logo if they wish to.

However, they have to follow this format:
