IISA

1st EUROPEAN CHAMPIONSHIP

IISA

1st EUROPEAN
CHAMPIONSHIP

Welcome everyone to the 1st European Championship

Seeing how we have grown in the past few years is humbling. IISA now have over 5500 members in over 90- countries around the World. The European Championship has attracted 322 swimmers from 27 countries in Europe. It was great to see the qualifications events around Europe and the team's spirit preparing for the Championship. I can't wait to meet you all.

We will have our 1st international 50m championship. We have decided not to separate the 25m vs. 50m results. We will use this event to see and assess the difference before the next World Championship in Molveno, Italy, in January 2025. We also looked carefully at the process of Disqualification, protest and appeals, and we attached our decisions and forms required for this program. Thank you for the Swimming Committee work.

We all need to understand that we can't just adopt rules from World Aquatic. Ice Swimming has many other dimensions that need to be taken into consideration. Swimming is the same. However, the swimmer is preparing to get into the water while it is outside, cold, possibly snowing and windy. The referees, timekeepers, and lane counters are all in the cold. So we must take out Official and Swimmer conditions when we set the rules. We must look at safety very carefully and ensure everyone's safety is not compromised in the process. I want to thanks the Swimming Committee for their rigours process and debate that delivered the outcome.

Breaking news: IISA has now been registered as a non-profit sports federation in Geneva, Switzerland. We have moved our Cape Town comicality to Geneva, and we are in great company with many other sports federations from all over the World. At the same time, IISA has established a new small committee called "IISA Funds". This committee will focus on raising funds for IISA through sponsorships, donations and strategic partnerships. It will endeavour to promote IISA and create funds to support its resources and growth in our journey to the Winter Olympics. We are also going to have our first Congress meeting. IISA Congress is the amalgamation of representations of all IISA Country Associations / Federations. By default, IISA President will be invited. If there is no official one, any representative is welcome. We will discuss the role of the Congress in our meeting In Oradea.

Our Chief Referee will be Denis Cadon whom you all met in Samoens 2023. He has a very respected team of Referees from Romania, Poland an Hungary. Ice Swimming is a demanding event to officiate, thank you in advance.

I want to thank the city of Oradea and IISA Romania and the Organising Committee for taking on such a challenging event, and I am sure it will be our best. We are getting better and more professional in every event.

Please remind everyone at home to watch us live or later on the IISA TV YouTube channel. Good luck to everyone taking part in this great event. Swimmers, Officials, Organisers and our supporters.

See you all in the ICE.
For Safety and Integrity in the ICE.
