WOERTHERSEE-SWIM ICE 2024:

This is an open-water-ice-swimming event that offers several swimming distances (<https://woerthersee-swim.com/ice-swimming/>).

The aim of this event is to invite open-water-ice-swimmers to experience sport and team spirit together, but also simply to enjoy being together, and to achieve top sporting performance in the middle of the wonderful nature of the Wörthersee region. When you take part, you also must demonstrate your own skills in open water ice swimming. Winter swimming is a new sport and is becoming increasingly popular.
